

## WIRE BENDING TEST MACHINE

### Product Description

### Wire Bending Test Machine

### Specification

#### Technical specifications

1. Clamp	6 groups
2. Swing Angle	60 degrees, 90 degrees, 180 degrees adjustable
3. Swing Speed	5 - 60cpm adjustable, digital display
4. Load Weight	50g, 100g, 200g, 300g, 500g.
5. Volume	800*600*760mm

---

**6. Weight** 100kg

**7. Power** 220V, 50Hz, 2A
