

WIRE CUTTING STRIPPING MACHINE TM-580

Product Description

Model: TM 580 Wire Cutting Stripping Machine-50mm²

Specification

Model	TM 580 Wire Cutting Stripping Machine-50mm ²
Weight	72KGS
Overall Dimensions	400mm×515mm×345mm
Power	1000W
Mode of Display	LCD Liquid Crystal Display Screen in English
Cutting Length	: 0.1mm-100m
Cutting Tolerance	≤0.002×L (L = Cutting Length)
Cutting Cross-sectional Area of Wire Core	2-50mm ²
Maximum Diameter of Conduit Pipe	18
Middle-stripping	12 places of stripping
Knife Material	High-quality Tungsten Steel
Stripping Speed	100mm/pc, 4000 – 6000 pcs/h
Mode of Driving	8-wheeled Drive (Silent hybrid stepping motor, each step 0.1mm forward)
Adjusting Speed	0 Slowest, 9 Fastest
